Purity....

It is the last thing I think of before going to bed and the first thing I think of in the morning. I am planning purity night, morning and noon. I am at it all the time. Why do I do it? Because I want my customers to have something better than they can get anywhere else. Prices always lowest. Try me and get the benefit of my purity planning without extra cost or worry to you. I do the worrying.

Respectfully Yours,

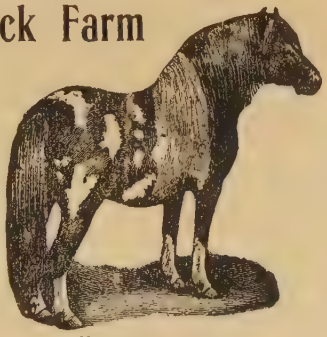
The Geo. Arnett Pony Stock Farm

Importer and Breeder of

SHETLAND, CANADIAN, WELCH, ICELAND AND RUSSIAN PONIES

Farm one mile east of city limits, Springfield, O.

ESTABLISHED 1870



"ABERDEEN JOE"

One of the oldest Pony Stock Farms in America. Parties ordering Ponies can with the greatest confidence and reliance get just what is recommended to them, as I could not afford to send away an inferior or bad animal. I have shipped to all parts of the United States, to people that never saw the stock and in every case have given perfect satisfaction. Would prefer people to come and see my stock before buying; but if not convenient, I will describe and price animals so that they will get just what description and price calls for.
